Plans **F & G** pay the difference (if any) between the amount charged by your physician and the Medicare allowable amount, regardless of whether your physician accepts Medicare Assignment, at 100% of this excess amount. The out of Pocket Maximum on plan **K** is \$5,560 in 2019, plan **L**, \$2,780 in 2019. These out of pocket maximums will be adjusted annually. Plan **F+** is a high deductible plan **F** (benefits begin after a \$2,300 calendar year deductible in 2019, which adjusts annually).

**Blue Cross \$20 Discount for Plan F Only: Age 65 or older and coverage effective date within 6 months of Part B effective date. \$20 discount for 12 months. \$48 discount for paying annually.

***United HealthCare (**AARP**) plans require membership in AARP and annual dues. Early enrollment discount applies if coverage effective date meets guidelines. Discounts decrease 3% each year to age 77 on your anniversary date. See booklet for other rate bands. \$24 discount for annual premium mode.

*Please see carrier brochures and rate sheets for most current rates in your zip code, descriptions of benefits, limitations, exclusions, etc. A “guaranteed issue” opportunity exists at the time you initially sign up for Medicare, and at certain other times. You may be required to answer health questions to qualify for plans if you make changes outside of these periods.
